

## **EXPRESSION OF INTEREST**

## MOSMAN CLIMATE ACTION COMMUNITY CONSULTATIVE COMMITTEE

## **Community Representative**

At its meeting of 7 July 2020 Council resolved to establish a Climate Action Community Consultative Committee. The Charter and process of selection of community members was adopted by Council on 4 August 2020.

To form the Committee, Council is seeking up to six (6) community representatives. The selection process will be managed through a Councillor workshop and a subsequent report to Council.

Council invites interested, independent persons to submit an Expression of Interest to Council by **5pm on Wednesday**, **16 September 2020**. Potential candidates should describe their personal experience, interest and/or qualifications in matters relevant to climate science, community engagement, conservation, sustainability or engineering.

| Yes, I would like to be considered for appointment as a Community Member of the Mosmar |
|--|
| Climate Action Community Consultative Committee  |

Membership information is outlined in the Mosman Climate Action Committee Charter. Note that you can ONLY be a member of one Community Consultative Committee at a time.

You should review the Charter before completing this Expression of Interest. The Charter can be found on Council's website.

| For the period: | 2020 – Septembe | er 2021 |  |  |
|-----------------|-----------------|---------|--|--|
| Name:           |                 |         |  |  |
|                 |                 |         |  |  |
|                 |                 |         |  |  |
|                 |                 |         |  |  |
|                 |                 |         |  |  |
|                 |                 |         |  |  |

## EXPRESSIONS OF INTEREST MUST INCLUDE THE FOLLOWING

Please detail your personal experience, interest and/or qualifications in matters relevant to membership of the Mosman Climate Action Community Consultative Committee including but not limited to climate science, community engagement, conservation, sustainability or engineering. Your Expression of Interest should clearly demonstrate your capacity to make a positive contribution to the Committee's Terms of Reference.
