## **Grass Verge Maintenance**

**Mosman prides itself on its community spirit, village atmosphere and unique position within the best city in the world. Our community is diverse and combines members of all ages and a wide range of cultural and social backgrounds.**

**Mosman Council relies on most members within our community to maintain their grass and / or garden verges, no matter how large or small. Residents who maintain their verge reflect the pride they have in living in Mosman, a showcase for the Sydney area.**

**Council has identified a need for some residents to be provided with services that lend a helping hand. For residents who are physically and financially unable to maintain their verge and who are unable to find a family member, friend or neighbour to help them, a grass-cutting service is available from Council. To enquire further about this service, please call Mosman Community Care (ADS) on 9978 4119 or 9978 4128.**
