

Military Road Heritage Conservation Area - 1980-2016

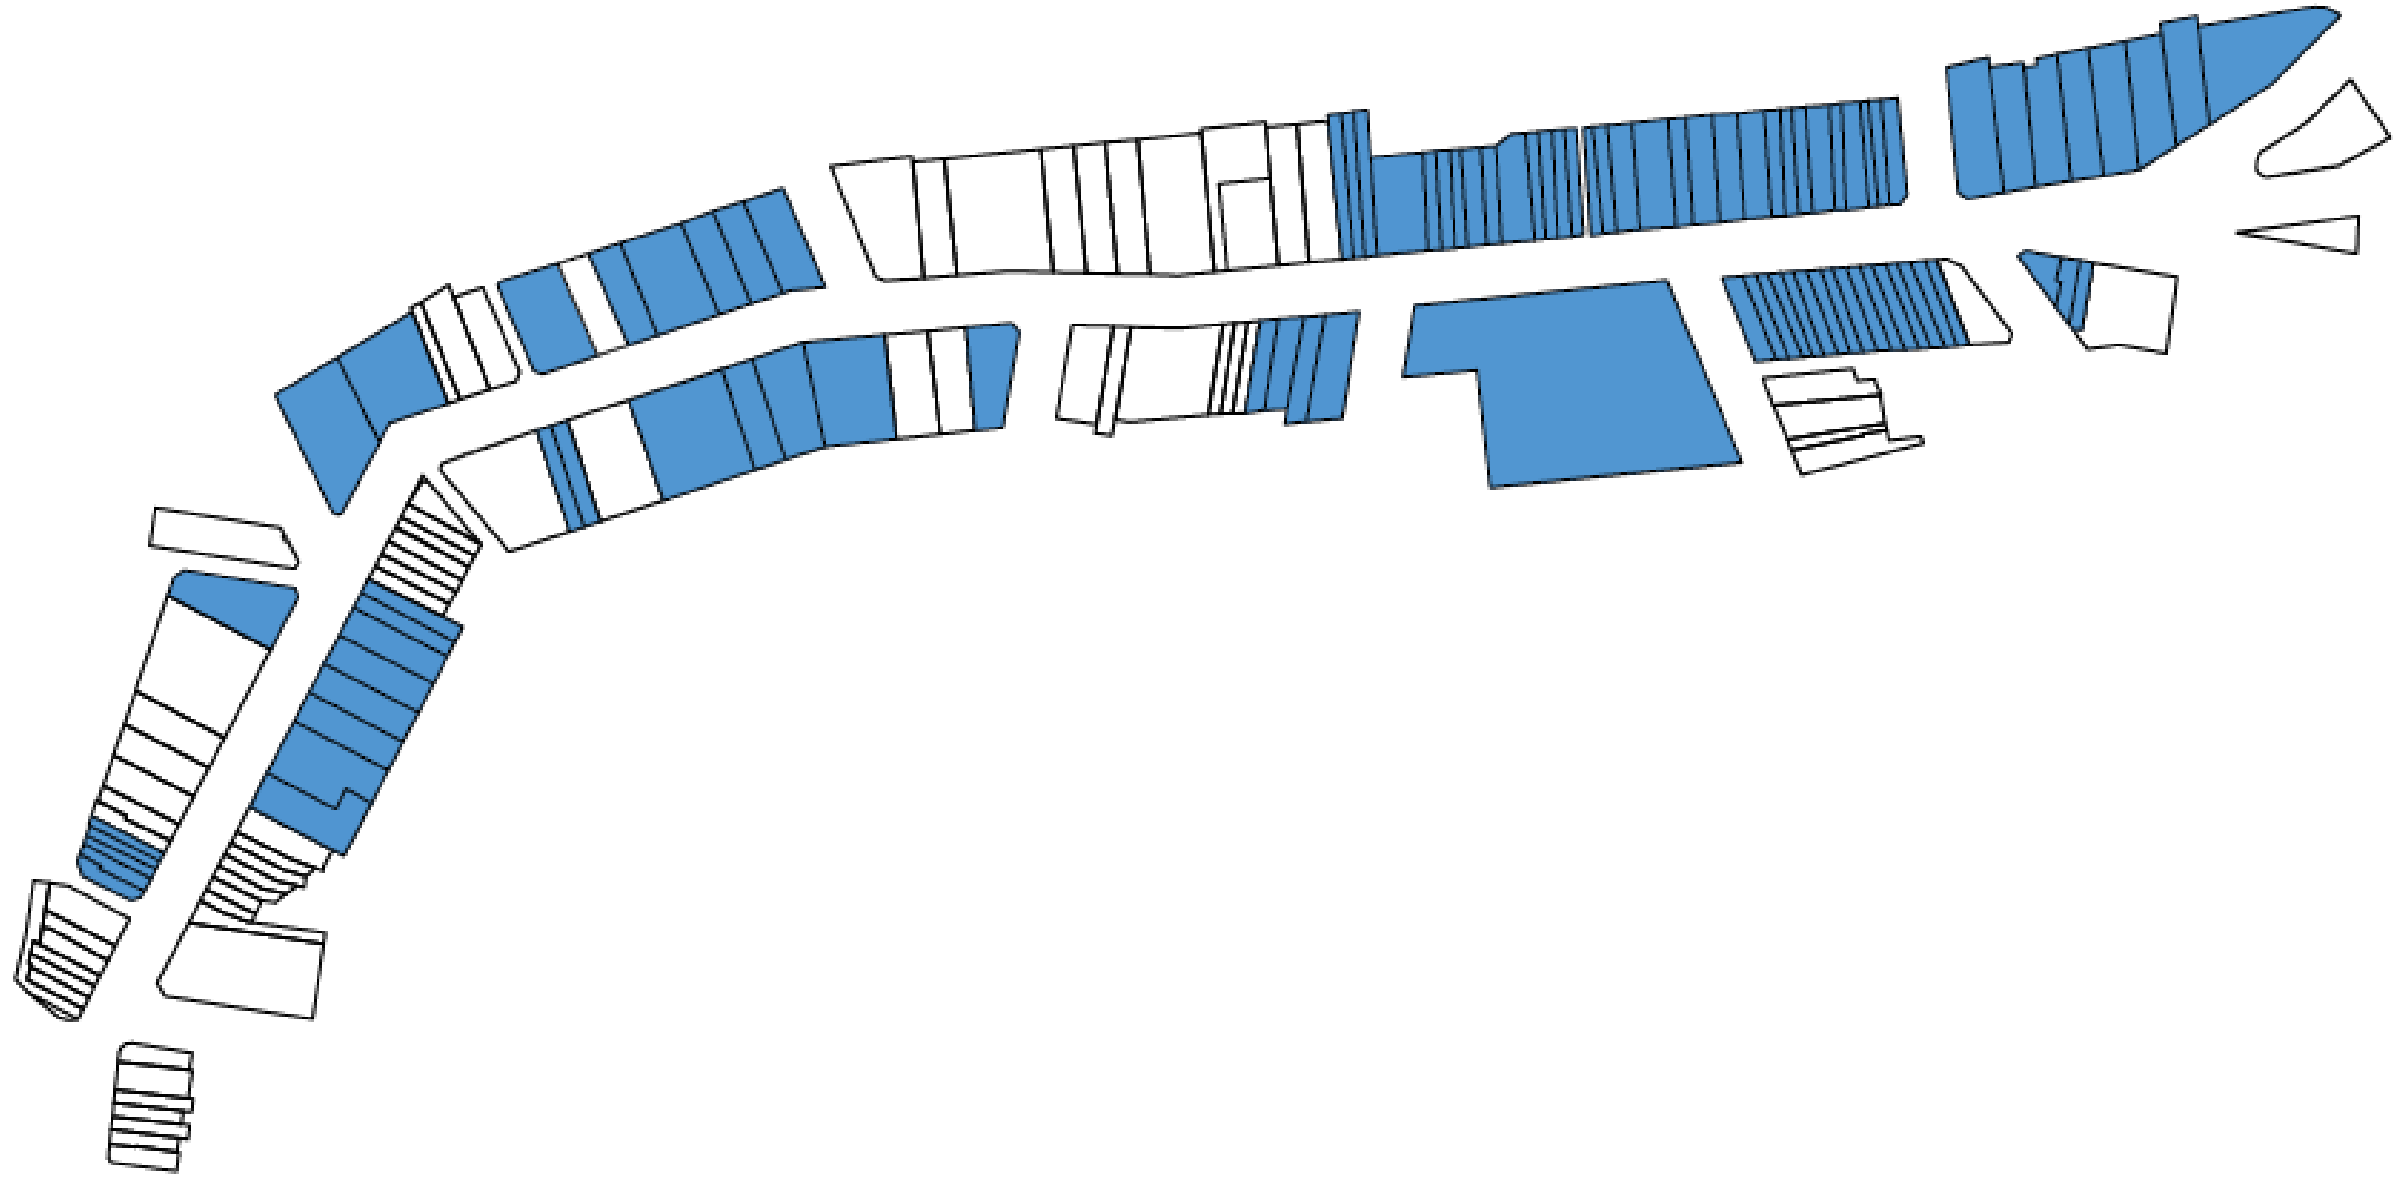

September 2016

Mosman Municipal Council

Introduction

In August 1980, Scott Robertson, from Conservation Architects Robertson & Hindmarsh Pty Ltd completed a photographic survey of what is now the Military Road Heritage Conservation Area. This was completed as part of a National trust proposal for Military Road to be an urban conservation area. In early 2016, photos of individual properties in the Military Road Heritage Conservation area were taken as part of a heritage survey.

This document pairs photos from 1980, taken by Robertson & Hindmarsh with photos taken in 2016 to form a comparison of changes in the built form over time over these 36 years. The photos taken in 1980 are in black and white while the 2016 photos are in colour. Each comparison has the relevant address/addresses listed at the top of the page. The properties covered by this document are marked in the map below.
