16 October 2012	Non-Pecuniary	Cr Sherlock	CW/1 - 22B Burrans Avenue	<p>Following conversations with the DLG Governance Division, and with the Mayor, I have determined that there is a question as to whether I may have a non-pecuniary conflict of interest.</p> <p>This arises from the fact that my wife, Gail Sherlock, has previously been on the Committee of MP&B (Mosman Parks & Bushland), which is a community organisation well-known to Mosman Council and which is opposed to this DA.</p> <p>I have considered sections 7.10 to 7.12 of the Mosman Council Code of Conduct and note as follows:</p> <ol style="list-style-type: none"> 1. My interest in this matter does not arise out of any family or personal relationship with the applicant, nor does it arise out of any involvement I have in any sporting, social or other cultural association. 2. My wife was a committee member of the Mosman Parks & Bushland Association until her resignation from both the committee and the Association on 12th September 2012. 3. My wife's views in relation to this matter are political views held by my wife. I do not believe that the political views of my wife can give rise to a conflict of interest in relation to this matter. 4. In the event that I am incorrect in holding this view, I declare the interest to be less than significant. 	3120379
