Weekly Drop-In, Term 1 2024

Adult sessions

Podcasting Monday 10am - 12pm

First timer or pro, our podcasting studio is available for use every Monday morning. The equipment is easy to use and our friendly team will be there to help you get started - to record your family story, or to start your own new true crime podcast!

3D Printing Tuesday 10am - 12pm

Ever wanted to know how 3D printing works? Ready to make your own chess set or jewelry? Our friendly team will help you get started with this amazing technology.

Virtual Reality Wednesday 10am - 12pm

Your chance to experience virtual worlds underwater, in space or on a roller coaster! No experience necessary, our friendly team will help you get started with this fun activity.

Makey Morning Thursday 10am - 12pm

If you want to learn to cut all sorts of designs from materials like paper, vinyl, card stock, and iron-on transfers using Cricut or learn to design and cut plywood using Laser cutter into masterpieces.

Magic Table Friday 10am - 12pm

An Interactive experience specifically designed for people with dementia or Alzheimer's. These technology-based activities are easy to complete and rewarding, and include interactive painting, card games and music.

Free events, every Monday to Friday morning between 10am - 12pm during the school term.

Children's sessions

3-D Printing Monday 3pm - 5pm

Kids will learn the basics of 3D design using Tinkercad and then get creative to design 3D models. They will watch their creations turn to reality with 3D printing. All models designed on the day but not finished printing will be available to collect the following Monday.

Crafternoon Tuesday 3pm - 5pm

Join us for a fun and creative crafting afternoon! Unleash your artistic side, make new friends, and craft your heart out. Don't miss this chance to create something beautiful!

Kidtopia Wednesday 3pm - 5pm

Come in and use the Virtual Reality, 3D printers, Podcasting, Dash Robots, Cricut and more - and sometimes we'll even make things blow up with our wacky science experiments.

Lego Challenge Thursday 3pm - 5pm

One Lego block and one Lego Spike challenge every Thursday. Can you send a Lego person down the zipline into water? Can you build a breakdancing Spike Lego robot? Challenge.....accepted!

Game-athon Friday 3pm - 5pm

Games, games, games - Apple Arcade, Minecraft and old fashioned board games. Bring your friends and relax after a hard week of school! Snacks ok.

Free events, every Monday to Friday afternoon between 3pm - 5pm during the school term.
