		ACTION
1.	Welcome	
2.	Apologies MM Carolyn Corrigan, John Leslie, Jane Wilder, Craig Covich, Robert Grant	
3.	Disclosures of Non-Pecuniary Interest N/A	
4.	<p>Manager Communications - outreach for Council's environmental and sustainability initiatives</p> <p>JJ – Informed the Committee about the different forms of media her and her team use to help promote Council's environment and sustainability initiatives. They work closely with the Environment team to produce stories and campaigns through print media, advertising, media releases, online, website, events hub, e-news, social media. Recent examples of these were also given.</p> <p>RA – Suggested posters of upcoming events be displayed more widely. Use notice boards at Bridge Point and Mosman IGA.</p> <p>JJ – Digital noticeboards will be installed soon in the Library Walk and Mosman Square.</p> <p>MR – Asked about the statistics associated with advertising in the Mosman Daily. Suggested high pressure hose for stencil advertising.</p>	<p>LT – to promote good news stories from the sustainable schools network</p> <p>LT and PM – to promote sustainability stories that will save residents money. Look to do a story with SR as the subject on how you can be sustainable and save</p>

	<p>JJ – Circulation is approximately 35,000 and numbers of bookings translate from that.</p> <p>LT – e-waste data shows that a high proportion of people heard about the event from the Mosman Daily.</p> <p>SR – Behaviour change post COVID, people more likely to decide whether to attend an event at the last minute. Need to see things multiple times before making a decision.</p> <p>SS – suggested we tie in sustainability actions with cost savings due to current cost of living crisis.</p> <p>SS - Suggested Sarah might like to make a video re: waste free shopping on a budget in Mosman.</p> <p>MR – Asked if we could promote good news stories from the sustainable schools network.</p>	
<p>5.</p>	<p>Current workshops and activities</p> <p>LT – Gave an update to the Committee about current projects being undertaken by the Environment team. Scorecard home energy efficiency audit for 20 households. Currently, have 13 EOI's and appointment dates have been confirmed.</p> <p>Two wicking beds have been approved by Council for two early learning centres.</p> <p>LED Lighting audits have been completed for the Civic Centre, Library Youth Centre and Art Gallery. Should receive the report soon.</p> <p>Blinds and awning installation for the Youth Centre to be completed in next few months.</p> <p>Wattblock: the first roof top solar panels have been installed through the program in Military Road - Braebrook building. 22 kW system, saved 35% on electricity expenditure. Emissions reduced from 9.3 to 4.6 tonnes. Case study will be presented at a workshop this week.</p> <p>PM – Presented statistics from the last 12 months of the Mosman @Home series. High level of engagement, 24 workshops receiving 156 views. Council has signed up to another 12 months.</p>	

	PM - Informed the Committee about upcoming workshops and events. E-waste 25 August, Seaside Scavenge and Sustainability Fair 22 September, Waste Audit and Mosman @Home in next financial year.	
6.	<p>General Business</p> <p>SS – Evie have been successful in a grant program to install EV fast chargers at Balmoral Oval, Spit West, Raglan East and Lennon’s Lane in next six months. Solar to go onto Georges Heights Pavilion.</p> <p>SR – Sustainable destinations program at City of Sydney. An idea for Mosman.</p> <p>MR - Asked if Boomerang Bags could be invited to Seaside Scavenge</p>	<p>LT – to investigate sustainable destinations program.</p> <p>LT- Invite Boomerang bags to the fair</p>
7.	<p>Next Meeting Date</p> <p>4th September 2024, 8:30 – 10:00 am.</p> <p>Meeting closed at 9:52 am.</p>
