Adult Sessions

Podcasting Monday | 10am-12pm

Wanting to record your family story or start your own true crime podcast? First timer or pro, our podcasting studio is available for use every Monday morning.

3D Printing Tuesday | 10am-12pm

Ever wanted to know how 3D printing works? Ready to make your own chess set or jewelry? Our friendly team will help you get started with this amazing technology.

Virtual Reality Wednesday | 10am-12pm

Your chance to experience virtual worlds underwater, in space or on a roller coaster! No experience necessary, come and try the Metaquest 3 headsets.

Makey Morning Thursday | 10am-12pm

Learn how to cut all sorts of designs from materials like paper, vinyl, card stock, and iron-on transfers using our Cricut machine. Or learn to design and cut plywood into masterpieces using our Laser Cutter.

Magic Table Friday | 10am-12pm

An interactive experience specifically designed for people with dementia or Alzheimer's. These technology-based activities are easy to complete and rewarding, and include interactive painting, card games and music.

Do you have questions? Email Chantal, our Creation Space Coordinator, at c.vanrooyen@mosman.nsw.gov.au to find out more.

Children's Sessions

Code Explorers Monday, 3-5pm, school years K-6

Come along and get creative using a variety of coding apps including Scratch, Scratch Jr. and Code.org on iPads and PC's. No experience necessary, just a curious mind!

Crafternoon Tuesday, 3-5pm, school years K-6

Unleash your artistic side, make new friends, and craft your heart out. From suncatchers to beading to weaving, the crafts change weekly and boost creativity and crafting skills.

Kidtopia Wednesday, 3-5pm, school years K-6

Drop-in and use the Virtual Reality, 3D printers, podcasting studio, Dash Robots, Engineering Kits and more!

Lego Challenge Thursday, 3-5pm, school years K-6

From beginner to master builder, there will be challenges for everyone to stretch their creativity with Lego bricks and creative robotics coding.

Game-athon Friday, 3-5pm, school years K-6

Games, games, games! Use the Nintendo switch and Apple Arcade or play Minecraft and old-fashioned board games. Bring your friends and relax after a hard week of school!

Mosman Council is committed to creating safer communities for children and young people.
