

## Volunteer Role Description - Bushcare

**Volunteers** are people who work but do not get paid.

Volunteering helps you get to know new people.

The name of this role is bushcare bush regenerator.

Your supervisor will be the **bushland management officer**.

A **management officer** is someone who runs activities that works for Council.

## What you need to do

- Help out with all aspects of bush care like hand weeding.

- Spend time in the bush working on fixing damaged land.

- Help protect the bush from damage.

- Be aware and possibly talk about issues with bush care.

- Be able to walk around the bush area safely.

- Follow instructions from the supervisor officer or your team leader.

## Why this will be good for you

Volunteering is meant to be fun make you feel good.

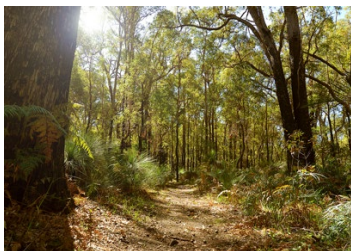

You will meet and work with new people.

You will get to be outside in the fresh air.

You will get to learn about local plants and wildlife.

You will get to help out the bush in Mosman.

## Things you need

There are things like paperwork needed by Council for you to be able to volunteer.

### 1. You will need a background check.

A background check uses some of your documents like

- Photo ID
- Drivers license
- Passport.

This is to make sure you have no criminal record.

### 2. You need to be able to get around bush areas around Mosman and other local suburbs.

### 3. Be able to volunteer for at least 6 months.

You can talk to us if that is too much.

You can take time off if you need to.

You can talk to Lourdes your supervisor if you need time off.

#### 4. You must follow our **work health and safety policy**.

A work health and safety policy are rules you must follow to keep you and others safe.

We will give you the work health and safety policy when we meet.

Some of the big things in the workplace health and safety policy are:

- How you can take care of yourself.
- How you can keep yourself safe.
- How you should do things to keep others safe.

- You have to wear the right shoes and a hat and sunscreen.

- You have to follow what Mosman Council staff say.
- You have to follow any keeps that keep you safe.

- You need to tell us if someone is hurt or could have been hurt.

## Medical Conditions

A medical condition is when you are sick or hurt and may not be able to volunteer.

We need to if you have a medical condition that will make it hard for you to volunteer.

We may be able to change how you volunteer so you can still help out.

Please write your name and sign on the line  
below if you are okay with everything that you
